Janet Jackson's official video for "No Sleep" with J.Cole takes place in a beautiful, dimly lit mansion with family photos of Janet on the walls. She just completed the J.Cole version of the song and his appearance in the video is a nice surprise.

Janet Jackson-No Sleep Remix Featuring J. Cole

Janet Jackson and J.Cole recorded a remix to her single, “No Sleep” two weeks ago and it will be on her 11th studio album coming out this fall. Jackson and video director Dave Meyers, who has directed Janet in past visuals, just filmed the official video for “No Sleep.” The second leg to her North American Unbreakable [tour](#) was just announced and 28 cities were added to her schedule.
