

Jay King Explores Adult Entertainment with Serena Sinful on Show this Sunday, 12/26

Hollywood, CA – When it was uncovered that 19 year old Montana Fishburne, daughter of esteemed Hollywood actor, Lawrence Fishburne, had aspirations in the adult film industry, popular culture came to a collective gasp. Pornography has always been a staple of modern society, and with the rise of counter cultures, like rock ‘n roll and hip hop garnering mainstream acceptance, it sometimes seemed as though porn was not far behind. In fact, the words ‘porn’ and ‘star,’ once at two opposite ends of the spectrum, are now often joined in vocabulary matrimony. Montana’s addition to the game however, sparked dialogues and debates with many questioning the “who, what, when and where” of it all.

Media personality and music man Jay King will take the conversation to another level on a special edition of his show, “The Way I See It’ on BlogTalkRadio.com

(www.blogtalkradio.com/jay-king), Sunday, December 26 at 2:00 p.m. PST. King will pose the question “if everybody has a problem with adult entertainment, why is it making so much money,” with special guest, Serena Sinful, a young, upcoming porn actress, who similar to Montana, proclaims a devout passion for the work she does.

Serena, also like Montana, is a newbie to the world of adult entertainment. She is an aspiring XXX actress and adult model who is seeking to make a name for herself in the business. As the only child of conservative Christian parents, many close to her were taken aback by her career choice.

“I have never watched an adult movie, read a dirty magazine or frequented a strip club and before you say it, let me... I am not the norm” expresses King.

“As a matter of fact most people don’t and/or won’t believe it because most people, men & some women alike, have dabbled in one or all three scenarios. That is why I ask the question ‘if everybody has a problem with adult entertainment, why is it making so much money?’ And what is the attraction that compels young women like Montana or Serena, to get involved?”

Serena Sinful will serve up some answers as she and Jay explore the ins and outs of the adult entertainment industry through her eyes and experiences as she shares her climb up the ladder to adult entertainment stardom.
