

# GoldLink Shares U Say Feat. Tyler, The Creator & Jay Prince

GoldLink collaborates with Tyler, The Creator and Jay Prince on the “U Say” a lo-fi get together of drums, bass and dreamy keyboards. The song will be included on his just-announced *Diaspora* album coming out June 12th. The album will include previous releases “Zulu Screams” and “Joke Ting” among the new music. GoldLink will appear on *The Tonight Show Starring Jimmy Kimmel* June 11th in support of *Diaspora*. He will then go on tour with Tyler, The Creator as his opening act in 30 cities and [tickets](#) are available now.Â
