

Third Man Records To Release Jazz Dispensary's First Private Stock Installment For 4/20

Cannabis industry partner SPARC and the Jazz Dispensary label will celebrate 4/20 with the first installment in their Private Stock series. The record will be available exclusively at SPARC's four dispensary outlets in California. Third Man Records will press 500 limited copies of the disc that has "Mary Jane" by Bobby Rush on side A and "Fire Eater" by Rusty Bryant on side B.

The record will retail for \$15 on April 20th and those who spend \$125 on cannabis goods will get a \$5 discount and customers spending \$200 or more will get it for free.

For more information about SPARC check out their [site](#) and go to JazzDispensary.com to learn more about the label.
