JMSN Releases Video For Where Do U Go

[youtube id="MV54oANWJzE"] JMSN is an insecure lover in the video for “Where Do U Go” and he spends the whole day in Los Angeles stalking his girlfriend played by Alexa Demie. The singer directed the black and white video and was able to recreate that nagging feeling of doubt so many people have in their relationships with some humor. JMSN’s fifth studio album *Whatever Makes U Happy* will be available April 28th on his White Room Records.
