Joey Bada\$\$ Shares The Light Pack

[youtube id="Mito0NH56hE"] Joey Bada\$\$ comes back after a three-year hiatus with *The Light Pack*. The Brooklyn rapper is back in his creative space with three new songs; "The Light," "No Explanation" and "Shine" which samples Roy Ayers' "Everybody Loves The Sunshine." He worked with directors Kerby Jean-Raymond and Levi Turner on the video for "The Light." Jean-Raymond's heritage with the voodoo religion are explored and Bada\$\$ takes part in a ceremony that he connects to rebirth and a deeper connection with his ancestors. The clip ends with him entering a police station in protest. His last album, *AMERIKKAN BADASS* from 2017, is being looked at again because of the social unrest messages that are currently in line with Black Lives Matters.
