

Nas Debuts The Official Visual For EPMD

Nas rolls out his video for "EPMD" which is on the Inspired soundtrack for *Judas and the Black Messiah*. He pays homage to Golden Era's Erick Sermon and Parrish Smith of EPMD right down to matching outfits and bucket hats with producer Hit-Boy. They are surrounded by rap luxury with the appearance of sheep in the midst. The movie is in theaters right now and the [soundtrack](#) is available.Â
