

k-os - Can't Fly Without Gravity Album Stream

Canadian emcee k-os is back with his sixth album, *Can't Fly Without Gravity* that came out today. His last release was 2013's *BLack On BLonde* double CD of hip-hop and rock. *Can't Fly Without Gravity* has the same genre freedom and k-os explains, "Can't Fly Without Gravity is the sound of somebody who's consciously forgotten about pop music to understand it again. We all need to forget something that we like so that we can like it again."

k-os & The Roots-Try Again On LNWJF

k-os made his debut on *Late Night With Jimmy Fallon* and performed “Try Again” from his *Black On Blonde* album with The Roots.
