

Kandace Springs-Love Got In The Way On Letterman

[youtube id="cHLakDR95So"]

Kandace Springs made her television debut a couple of days ago with this performance of “Love Got In The Way” on the Late Show With David Letterman. Her [self-titled EP](#) just came out and although the singer-songwriter is a new artist she has already shared the stage with Prince.

New York by way of Nashville singer/songwriter/pianist Kandace Springs covers Sam Smith’s “Stay With Me.” Tha Crown Jules

directed the video shot around the city and presented in tinted colors. She's currently working on her first solo album with a variety of industry-proven writers and producers (Eli Wolf, Claude Kelly, Jack Splash and Pop and Oak) that will be released by Blue Note before the year's end.
