

Kelly Price-It's My Time

[youtube id="kmBQ0fKep3U"]

Kelly Price parties in front of the green screen with friends like Kenny Lattimore and Lance Bass in her video for "It's My Time." Price's seventh studio album, *Sing Pray Love Vol. 1* will come out this summer.

Media Questions Of The Week

[youtube id="i-xPYX9MABI"]

1. Why did Miley Cyrus feel the need to pander to base stereotypes about Black music in her quickly went viral performance with Robin Thicke at the VMAs?

[youtube id="wPjogGqvwoU"]

2. Are reality shows hurting or helping the careers of entertainers like Kelly Price?

3. Will Chadwick Boseman capture the essence of James Brown in the Mick Jagger produced film *Get On Up*?

Media Questions Of The Week

1. Will law enforcement ever solve the Biggie and Tupac murders so people like Greg Kading can stop exploiting the situation?

2. Won't it be interesting to see Faith Evans, Syleena Johnson, Angie Stone, Kelly Price, Keke Wyatt and Tweet on the reality show "Diary Of A Diva?"

3. Why is Mahalia Jackson's family upset about Fantasia portraying Ms. Jackson in a film now that she is unmarried and pregnant when she already has a child out of wedlock?

Kelly Price-Not My Daddy

Kelly Price's duet with Stokley Williams gets a video directed by Regina King. Ms. Price will also have a new release on May 3rd when her sixth album *Kelly* comes out. Stokley Williams' presence is great timing because Mint Condition released 7 three weeks ago.
