2. Was Madonna serious when she called M.I.A.'s flipping the bird during the Superbowl performance "childish and irrelevant?"

3. Isn't Blue Ivy adorable?

Lyn Charles-Star Life Feat. Kendrick Lamar

Lyn Charles is a rapper from Philadelphia who just released his first studio album, *American Tragedy*. He is a new indie artist but he's already got features from people like Big K.R.I.T. and Freeway. "Star Life" is a collaboration with Kendrick Lamar that begs for more than a casual listen.
