Watch: Knife Knights-My Dreams Never Sleep Official Video

[youtube id="_irm25qT3Ss"]Watch Rachel Ferguson get followed by the ghost of her late lover in Knife Knights' video for "My Dreams Never Sleep." Ferguson is unaware of the ghost who hates their separation by death. He also encounters an intimate invitation from a yellow woman who also looks like a specter. The video combines realistic footage with animation and it creates a dream visual where things disappear and the energy re-forms itself into something new.
