

Moses Sumney Performs Plastic On Later...With Jools Holland

Moses Sumney just wrapped up the North American tour for his debut album [Aromanticism](#). He made a trip to the BBC's *Later...With Jools Holland* and performed "Plastic" with nothing but his voice and guitar. On Monday he will begin his European tour in the United Kingdom.

Valerie June-Workin' Woman Blues Live On Jools Holland

[youtube]c5eWS8KtDDY[/youtube]

Country/blues singer Valerie June made an appearance on *Later With Jools Holland* and she performed "Workin' Woman Blues." June is on tour in Europe right now and her debut album *Pushin' Against A Stone* will be released in May. Sister Rosetta Tharpe had to be smiling down on this performance.

Josephine-Portrait (Live On Later...with Jools Holland)
