

Leela James Live At Hopkins Square In Baltimore

New Leela James Download-Baby I'm Scared Of You

Leela did a cool version of [this tune](#) originally done by Womack And Womack in '83. Leela's new album "Let's Do It Again" acknowledges a set of classic songs done the old school way with Leela and her band in the studio.

Leela James - It's A Man's Man's Man's World
