

Lianne La Havas Revisits Radiohead's Weird Fishes

[youtube id="AHeW8McMBS8"]Lianne La Havas has recorded a studio version of Radiohead's "Weird Fishes." Some fans are missing her performance of the song at Glastonbury which was removed from the internet because of all the emotive layers. But the new recording is stunning in its approach that begins slowly only to give away to feelings of triumph at the end. This recording is on the tracklisting for her self-titled album coming out on July 17th. The artist will live stream a show from London's Roundhouse on July 15th in support of *Lianne La Havas*.^Â
