“Unstoppable” is the first single and video from Lianne La Havas’ sophomore album, *Blood*. The London singer/songwriter’s profile has raised significantly since her 2012 *Is Your Love Big Enough* debut thanks to Prince performing in her living room, giving her features on his *Art Official Age* album and her appearing on SNL with him. She will perform new music from *Blood* this week on *Later With Jools Holland*. Her US tour schedule will resume in July around the time of *Blood*’s release on July 31st.
