Canadian cartoonist Marlon "Gangster Doodles" Sassy is getting ready for the release of his second music compilation. The artist saw the first one come out in 2019 as *Gangster Music Vol. 1*. Dublin's All City Records released the first one and will also release *Gangster Music Vol. 2*. "Champion" from Mike G featuring Lil B is the first single from the compilation. The rap collaboration is low-key and ideal for night driving around the city. The 28-song album has appearances from DÄ¢m-Funk, Black Milk, M.E.D., Teebs, Liv.e and Open Mike Eagle among others. Sassy described his focus for the music in a statement.

â€œGangster Music Vol.2 is a living/breathing tracklist of all the music and artists I've been obsessively listening to over the past couple of years(and beyond). Every artist that's on Vol.2 is a creative force pushing boundaries and trailblazing new paths to greatness."

The official release date for the album is October 15th. Sassy also released his [Gangster Doodles](#) book of illustrated rappers, hip-hop life and pop culture figures in 2019 and he is currently working on a graphic novel.
