Busta Rhymes is joined by Lil Wayne, Q-Tip and Kanye West on "Thank You" from his upcoming Extinction Level Event 2 album.

Media Questions Of The Week

1. Was Tyler the Creator's Mountain Dew Ad ["the most racist commercial ever"](#) or was he making a statement about the racial profiling of young Black men or was it just stupid?

2. Why didn't Lil' Wayne respond to the Emmett Till Family until his now terminated contract with Mountain Dew was threatened? Why did Universal Music allow the song to be released? And exactly how does Mountain Dew choose a celebrity spokesperson in the first place?

[youtube]tEddixS-UoU[/youtube]

3. Isn't the Janelle Monae video for "Q.U.E.E.N." one of the best you've seen in a while?

Media Questions Of The Week

1. What if more radio stations followed the lead of WUVS-LP 103.7 in Muskegon, MI banning music from Rick Ross and Lil' Wayne?

2. Who will Forest Whitaker cast as Richard Pryor now that he is directing the film about his life?

3. Are you going to sign the [petition](#) demanding that Rick Ross apologize for mentioning date rape in the song "U.O.E.N.O. (You Don't Even Know It)" or the [petition](#) demanding that Reebok drop him as a spokesperson for the same reason?

4. Why was India.Arie accused of bleaching her skin on the cover of her new single "Cocoa Butter" when photographic lighting can make darker skin look different?
