Will Kelly Price's memory of a [music executive](#) measuring her worth against Mya's light skin and thinner body be a thing of the past now that Lizzo has become successful?

When will America be able to safely re-open in regards to the Coronavirus lockdown?

Lizzo Reveals Lyric Video For Cuz I Love You As Valentines Day Gift To Fans

[youtube id="PCKtQkbve8k"]Lizzo celebrates Valentines' Day with her fans by sharing the official lyric video for "Cuz I Love You." The new Grammy winner is a black illustrated figure surrounded by shades of blue and white. Her famous curvy nude visage flies, sits in a tub, on the bed, has a drink and peeks out of aqua-tinted sunglasses. It is the second video for "Cuz I Love You" coming in the opposite order as most artists release the lyric visual first.

Media Questions Of The Week

[youtube id="mY7SJqLp49Q"]

Is Diddy right that The Grammys have never truly respected hip-hop or Black music?Â

[youtube id="j5a42MwoYsw"]

Is Tyler, The Creator right in his Grammy Radio Room interview that the word urban is code for the N-word and that all Black artists are pigeonholed in the urban category regardless of their actual sound?Â Â

[youtube id="T5TYhoFvPus"]

Did Lizzo get robbed of the Best New Artist or Album of the Year Grammy even though she won four awards out of eight nominations which were the most of any artist in 2020?Â

Eddie Murphy Returns To SNL This Week

[youtube id="LHexHNaSRHM"]Eddie Murphy returns to *Saturday Night Live* this weekend as the host and he will also revisit some of his old characters. Murphy revived the show in the '80s as a young comedian before he left to become a movie star. It's been 35 years since he was the host and this appearance is part of a full circle for his career. The promo shows Murphy walking through the building wearing the same kind of outfit he wore when he first appeared on the show. Lizzo, who is this week's musical guest, can be heard in the background as her song "Cuz I Love You" plays.Â
