

Kaytranada Drops Short Film For Look Easy Feat. Lucky Daye

Kaytranada has a short film for “Look Easy” featuring Lucky Daye and it’s a tribute to Japanese Yakuza movies. Xavier Tera directs the gangster-style storyline and Luli Shioi is the starring actress playing a scary role. The dark cinematography, nightclubs and Kaytranada’s black suit build-up to the climax of an unexpected ending. Kaytranada continues to release visuals for his sophomore album *BUBBA*. Daye also makes an appearance in the video that looks like it should be expanded with a proper full-length feature.

KAYTRANADA and Lucky Daye have created a summer anthem to enjoy despite the social limitations of the pandemic. “Look Easy” is a late-night jam that sounds ideal for the club or beach. The new song follows KAYTRANADA’s *BUBBA* which was released in 2019. The producer was just on the cover of [PAPER’s](#) Pride issue and [Rollacoaster](#) magazine. [youtube id="2r9RMC9dUBI"]
