“Special” is the first single from the Maddslinky project *Make A Change*. The single will be released on September 13th and the album comes out October 25th.

Maddslinky Featuring Omar-Special (Preview)

This is a preview of a new track from UK garage artist Maddslinky featuring one of my favorite soul singers Omar who is also from the UK. Maddslinky has two albums coming out this year and a video for this song sometime during the summer. But I really want to know when is Omar dropping a new album?
