

Marvel Studios Black Panther Trailer

[youtube id="xjDjIWPwcPU"] Marvel Studios' trailer for *Black Panther* came out today and it looks like a bigger than life fantasy of a new world. Chadwick Boseman, Michael B. Jordan, Danai Guira and Lupita Nyong'o are all in the quick clip of the narrative that puts the fictional Wakanda into a possible world war. Gil Scott-Heron's "The Revolution Will Not Be Televised" is used in the action-packed trailer. *Black Panther* will be in theaters February 16th.
