

# Watch: Leela James - Thought U Knew

Watch Leela James pay tribute to *Set It Off* in her video for "Thought U Knew." Her crew comprises fellow soul singers Avery Sunshine, Syleena Johnson, and California rapper Medusa. The song is the title track from her 8th album due for release on October 27th.

## Medusa - Pimps Down Flows Up (Live At Fat Beats LA)

[youtube]zN77qIfggmE[/youtube]

One more reason why the closing of Fat Beats is a great loss. More than record store but a cultural institution you could catch someone like West Coast legend [[Medusa]] doing her thing live. Rapping for a couple of decades now Medusa received some recognition in the recent BET documentary [My Mic Sounds Nice](#).
