Palestinian born and Toronto-based singer/songwriter Merna (formerly known as Ayah) has returned with her new project, *The Calling*. She explains, “Musically, I always aim to break my own ground and delve a little more into my history and things that I’ve been influenced by. For example, there are sounds and rhythms on this album that are African and Arab inspired. Not a lot of people know that my first ever band in Abu Dhabi was a rock band, and that I’m classically trained in piano.” Ali Shaheed Muhammad produced “A Little More” from *The Calling* and Raymond Angry is the piano player.
