Monique-The Gift Official

Video

[youtube id="dKPwXRYUI98"] Monique released her self-titled EP earlier this year and "The Gift" was the lead single. Andrew Webber directs the official video which captures the UKÂ singer-songwriter 39 weeks pregnant with her son and 8 other women also on the verge of motherhood.

Singer-Songwriter Monique Releases The Gift EP Today

British R&B singer Monique released her *Gift* EP today exactly one day after the birth of her son Jude. *The Gift's* release date was planned to coincide with Jude's arrival but the closeness of his birthday, though not on the exact day planned, still reflects Monique's inspiration. The 5-song collection debuted at Britain's MOBO Awards and is available via [iTunes](#).

R&B Singer Monique Returns With The Gift

British R&B singer Monique has returned to music with her single "The Gift." Her last release was her 2011 debut album *Unbroken*. "The Gift" is the lead single from her upcoming EP

of the same name. The title is inspired by the impending birth of her child and it is co-produced by longtime collaborator Tony Bean and Daniel Hutchinson. You can visit her [website](#) and pre-order the EP on her baby's April 28th due date and get the single free.
