

Nappy DJ Needles Mixes ATCQ & Outkast To Make A Tribe Called Kast

[A Tribe Called Kast by Nappy DJ Needles](#)

Nappy DJ Needles has blended some of A Tribe Called Quest's beats and Outkast's rhymes to create *A Tribe Called Kast*. Needles posted this mix in 2013 but the mixtape has grown in value since it was revealed this week at the memorial for Phife Dawg that the two groups once planned to make an album together.
