“Special” is from Big Pooh’s [Fat Boy Fresh Vol. 1](#). that came out last year.

No One (Noni Spitz & Dae One) Midnight Selections EP

No One (Noni Spitz & Dae One) released their *Midnight Selections* today for free download at their [Bandcamp](#) site. The EP has production from Dae One, Focus and Terrace Martin including features from Rapper Big Pooh, Brooke Taylor, Smokey Lane, and Chevy Jones.

No One-Spot & Tattoos

Noni Spitz and Dae One are No One and they are releasing their *Midnight Selections* mixtape tomorrow. “Spot & Tattoos” twists Sade’s “Tattoo” into a smoky bedroom jaunt and you can download the tape from the California rapper and producer on their [Bandcamp](#) page.

No One-The Substance

Noni Spitz and Dae One are No One and the California emcee/producers have released their first full length album called *The Substance*. Both artists have spent time working behind the scenes with California notables like Ice Cube and Crooked I. They say *The Substance* is about making music that has a purpose. The project is available through [iTunes](#) and their [Bandcamp](#) page.
