

Orgone-Don't Push Your Luck

[youtube id="gHv3AI7v9xY"]

Orgone is an eight-piece funk band from Los Angeles that formed 15 years ago. They've released seven albums and *Beyond The Sun* is their eighth. Adryon De Leon is now the band's lead singer and she is the main focus of the video for "Don't Push Your Luck." Orgone is currently on tour for the summer and just had to reschedule their Baltimore dates.

Check out the stream of *Beyond The Sun* below:
