In Memoriam: 2016

In 2016, several music icons passed and it seemed like the deaths would not end until the very end of the year. Icons like Prince and David Bowie who commanded the pop landscape for 40 years were gone suddenly and unexpectedly. Sharon Jones was just beginning to gain more recognition before passing of Cancer after a two-year fight. Many music fans are just happy for 2016 to be over after experiencing so much loss. The sadness from the passing of so many important voices is only assuaged by the fact that each artist has an immortal influence through their work.
