

Protest Against Rick Ross Outside Reebok Store

[youtube]Gt4YqjwB7ck[/youtube]

Erik Parker of Radio.com spoke with women's groups NOW and Ultraviolet as they organized outside of the Reebok store in NYC on Friday to protest Reebok's choice of Rick Ross as a spokesperson regarding the "U.O.N.E.O." lyric controversy. One wonders by the look of the gentleman guarding the door if Reebok will really receive the 72,000 signatures and comments in the box.
