

# RagoMagazine.com 'Takin It Worldwide Volume Two' (FREE Download Hip-Hop Compilation) OUT NOW!!!

RagoMagazine.com is a UK based magazine dedicated to the Hip-Hop movement. Starting life out as an A5 print magazine back in 1999, the UK based publication went on-line back in 2002 informing Hip-Hop heads globally about releases from the Hip-Hop scene is what Rago do best. In the twelve years Rago Magazine has been going it has helped shape and promotes the worldwide rap scene. Since the magazine went from print to on-line it has reviewed albums, mixtapes, music videos, films, books, magazines, DVD's, EP's, classic albums and singles, as well as interviewing hundreds of rappers, producers, label CEO's and more.

'Takin It Worldwide Volume 2' once again showcases international talent with rappers from all over the USA and UK featuring. From some well known names to up & coming cutting edge talent, everything is covered here with a real collection of a wide diverse sound. Various styles, various sounds and various quality independent rap. This album is an official free download album so please feel free to pass this link on to anyone you know who loves Hip-Hop music.
