

Keith Sweat-Can't Nobody Feat. Raheem DeV Vaughn Official Video

Keith Sweat's "Can't Nobody" featuring Raheem DeV Vaughn lands a video of the two of them singing to pretty women. The song was released last October and they premiered the clip on BET Soul and since then the song has climbed the Adult R&B Airplay chart. Sweat's last album was *Playing For Keeps* in 2018 and he had the "Boomerang" duet with Candace Parker in 2019. He recently had an acting role in the Tubi film *Howard High*. DeV Vaughn was last seen during the Valentines's Day Verzuz as a guest during the Anthony Hamilton and Musiq battle.
