

Complex Presents LL Cool J Rock The Bells Magnum Opus

[youtube id="LHlh2jZy-uA"]

Complex's Magnum Opus series examines LL Cool J's groundbreaking single, "Rock The Bells." LL Cool J, Rick Rubin, Russell Simmons, former Def Jam publicist Bill Adler, DMC and legendary hip-hop journalist Bonz Malone all discuss the making and significance of "Rock The Bells."

Media Questions Of The Week

1. Why are media outlets like the New York Times writing obituaries [\(that's been changed\)](#) of Nelson Mandela that describe him as a "peaceful resistor?"

2. What will Kanye West's next album sound like with production from Rick Rubin and Q-Tip?

3. Why are the producers of *American Horror Story:Coven* describing Lance Reddick's Papa Legba character as a "voodoo Satan" when Satan has nothing to do with voodoo?
