Ruff Ryder's Reunion Concert

[youtube id="-55Lmcs2RKI"] Ruff Ryders had their reunion concert last weekend at The Barclays Center in Brooklyn. Eve, Swizz Beatz, The Lox, Remy Ma, M.O.P., Junior Mafia, Uncle Murda, Cassidy, Fat Joe and DMX gave the crowd some prime nostalgia with a solid show. Newcomers Lil Waah, Drew James and Quadir Lateef also performed and showed the audience the next chapter of the Ruff Ryder's legacy. Fans have been talking on the internet about DMX's appearance and have voiced concern. His set was impeded by a non-working microphone and a monologue most did not care to hear. Despite the criticism, fans were still elated to see and hear him.
