

The White Mandingos-Warn A Brotha

“Warn A Brotha” is another single from The White Mandingos’ *The Ghetto Is Tryna Kill Me* which has a June 11 release on Fat Beats. Tyrone White is rapping frantically about his ride through the music industry as the rare Black man with a guitar. He feels like he should’ve been warned ahead of time about all the political hassles of being a Black rock star especially one who returns to the hood.
