

Rev Run Presents Team Blackout-Lights Out- Debut Album In Stores Now!

If you've been following the hit MTV reality series Run's House starring Reverend Run (of Run-DMC), then you already know about the hip-hop trio Team Blackout. Team Blackout consists of Rev Run's teenage son JoJo Simmons and his childhood friends Zach, and Reggie. The Queens / Long Island natives have been rhyming together since the 7th grade, but it wasn't until the 2003 New York City Blackout that JoJo, Zach and Reggie decided to officially unite and form Team Blackout "hence the name.

Since then, they've been honing their craft, in the studio, on stage and even on TV. For the past four-years, millions of Run's House fans have watched Team Blackout develop, on-air, into a full-fledged group to look out for. In 2007, they landed their first record deal with NY / LA based indie label Latchkey Recordings (distributed via Koch Entertainment). Team Blackout immediately hit the studio to record their debut album, Lights Out, in stores 8/19/2008. Lights Out was produced entirely by upcoming production duo Chris n Teeb (Danity Kane, Salt N Pepa), Grammy award winning producer Rockwilder and Ron Browz. Rev Run serves as the LP's executive producer.

Lyrically, Lights Out is fun and carefree, bringing back a feel good vibe that's been missing in today's hip-hop music. Sonically, Chris n Teeb, Rockwilder and Ron Browz deliver a heavy dose of slick, futuristic sounds "perfect for the radio and clubs. JoJo Simmons states "we've got hot music, so it's gonna be hard for people to say we only got a break just because I'm Reverend Run's son. People

are gonna be surprised.â€

Season 5 of MTVâ€™s Runâ€™s House is in full effect, featuring more of Team Blackoutâ€™s steady rise in the music biz. Keep an eye open for Team Blackoutâ€™s upcoming video for â€œBillion Dollar Boyfriendâ€ and be sure to check out their internet buzz video â€œJ5 On â€~Emâ€, produced by Ron Browz (Nas, G-Unit), featuring DJ Webstar and Boogie Black. Fans of Runâ€™s House loved the J5 dance from season four and continually sent messages asking for more, so Team Blackout hit them with a summer dance anthem for the kids.

With Team Blackoutâ€™s drive and Rev Run as mentor, JoJo, Zach & Reggie have a bright future ahead. But in the meantime, get ready for them to put your lights out this summer.
