Sareem Poems Has Hope For Detroit In Video For After The Factory

[youtube id="DkhzYjpU07s"] Sareem Poems has hope for Detroit on his Terem-produced single "After The Factory." The California native relocated to the city in 2009 and has found it to be a place of rebirth that is not often talked about in mainstream media. In the video, Poems walks around the city and refutes negative stereotypes about it in his verses while offering citizens encouragement for a new vision. "After The Factory" is from Poems' just-released [*A Pond Apart*](#).
