

Terrace Martin Goes Black & White For Intimidated Feat. Lalah Hathaway & Rapsody

[youtube id="3ma53rEhUQ0"]Terrace Martin co-directs his video for ["Intimidated"](#) featuring Lalah Hathaway and Rapsody with director Jasper Graham. The whole thing is black and white and Martin sings looking into the camera as the lady he likes struts through the streets. "Intimidated" follows "Trail Mix (Feat. Buddy & Rose Gold)" and "All I Own."

Georgia Anne Muldrow, Terrace Martin & Adrian Younge Celebrate February

Georgia Anne Muldrow, Terrace Martin and Adrian Younge acknowledge Black History Month with the Amazon exclusive "February." Muldrow sings and reminds everyone that it's that time of the year again to share the history of African-Americans with sparse lyrics and an arrangement of tipsy strings and drums. Her serious words about the movements of Black people in America are revealed peacefully with a delicate harp and low-key brass. Adrian Younge's Linear Labs partnered with Amazon Music's Produced By series to celebrate Black History Month. They will release a new song each Friday and "February" is the first one.

Tall Black Guy Remixes Terrace Martin's Think Of You Featuring Rose Gold

Tall Black Guy has added his touch to something new with Terrace Martin's "Think Of You" featuring Rose Gold. TBG's I Think I Love You remix spaces the track out into house territory and flaunts his ability to create an inimitable soulfulÂ ambience. Â Martin's [Velvet Portraits](#) came out last year and his album with the Pollyseeds just came out.

The Pollyseeds: Intentions Featuring Chachi Official Video

[youtube id="72mhldvKh48"] Terrace Martin's Pollyseed band have their first video from *Sounds Of Crenshaw Vol. 1* with a clip for "Intentions." Martin and the crowd enjoy a house party lit by a red light as he plays the keyboards and dances with some of the people. The Pollyseeds are a group of musicians led by Martin including Robert Glasper, Kamasi Washington and more. Stream Sounds Of Crenshaw Vol. 1 below and purchase it from their [Bandcamp](#) page.
