

Tyler, The Creator Going On Tour Of North America

Tyler, The Creator is rolling out his next tour of North America in support of his latest release *IGOR*. The first show will take place Labor Day weekend at Bumbershoot in Seattle and wrap up Houston at the end of October. GoldLink will open for Tyler for all of the shows. Jaden Smith will also be on the bill for the September dates and Blood Orange is scheduled for the shows in October.Â

Tyler, The Creator's Flower Boy Gets A Limited Vinyl Release

Tyler, The Creator's *Flower Boy* album will be released on yellow vinyl and the pre-sale is going on until tomorrow night. Those who pre-order the vinyl bundle will receive the album, a digital download of the album and two different bee stickers. *Flower Boy* is also available as a cassette on the golfwang.com site. Tyler is performing for the first time since the release of the album this Friday at the Panorama Festival in New York. Watch the video for "Who Dat Boy" below.
