

Nas & Erykah Badu-This Bitter Land

Nas and Erykah Badu's "This Bitter Land" is from the upcoming feature *The Land* of which Nas is a producer. Badu also has an acting role in the film about a bunch of kids striving to be professional skateboarders. Steven Caple Jr. is the director of the movie coming to theaters this Friday.

The Land Trailer

[youtube id="6pNpH0CRhkA"] *The Land* is the debut film for writer-director Steven Caple Jr. and it's a story of inner-city kids from Cleveland who get involved in the drug trade to finance their skateboard dreams. Nas is the executive producer of the feature that screened at Sundance and has Michael K. Williams, Erykah Badu and Machine Gun Kelly in its cast. This is the trailer for the film that has a July 29th release date.
