

Watch: Beyoncé's Video For Spirit From The Lion King

[youtube id="civgU0ommC8"]Beyoncé's video for "Spirit" from *The Lion King* is a picturesque sequence of movements inspired by the movie. She voiced the character Nala and this Friday her compilation album *The Lion King: The Gift* which has music from Donald Glover and her daughter Blue Ivy will be released. Beyoncé did an interview with ABC's Robin Roberts and described the new music and film as a "love letter to Africa." The video for "Spirit" showcases the continent's beautiful landscape, the fearless lions and the majestic people.Â
