## Comedy Central Announces The New Negroes With Baron Vaughn And Open Mike Eagle

Comedy Central announced the premiere date for its new comedy *The New Negroes With Baron Vaughn and Open Mike Eagle* today.

The show is inspired by the Harlem Renaissance and will feature stand-up performances from three comedians and an original music video of Open Mike Eagle with a guest artist for each episode. Vaughn and Eagle gave a summary of the socially aware program:Â

Method Man, MF Doom, Phonte, Danny Brown, Lizzo, Father and Sammus are some of the musical guests and Madlib produced *The New Negro* theme song. Chris Redd, Donnel Rawlings, Lil Rel Howery, Sasheer Zamata, Dulce Sloan, George Wallace, Sam Jay are the first set of comedians scheduled to appear.Â
