Footagefadayz.com is putting out a documentary on the early history of Detroit hip-hop. Chuck D narrates the piece that has interviews with people like Esham and DJ Head who talks about the “Renegade” track he produced for Eminem and Jay-Z. There is footage of Proof’s last interview and comments from the man that was with him the night he got killed. Detroit’s pop culture of the ’80’s also gets surveyed with coverage on The Scene and The Electrifying Mojo.
