HOLLYWOOD, CALIFORNIA – FEBRUARY 24: Mahershala Ali accepts the Actor in a Supporting Role award for 'Green Book' onstage during the 91st Annual Academy Awards at Dolby Theatre on February 24, 2019 in Hollywood, California. (Photo by Kevin Winter/Getty Images)

Why did Mahershala Ali win the Oscar for Best Supporting Actor in Green Book if he was cast as the main character, jazz pianist Don Shirley?

Will Tommy Boy put together a reasonable contract to pay De La Soul a fair amount of streaming royalties?Â

What really makes me sad is that [@BET](#) has never supported my music or that Iâ€™m a black woman trying to break barriers for women in animation. Or that Iâ€™ve worked on advancing tech via VR and augmented reality. But you post about a ponytail i wore weeks ago and have already worn. <https://t.co/otJt0J2VW6>
