

# Twerkumentary Trailer

[youtube id="JiVil0Fq0Io"] *Twerkumentary* is a film about Twerking from Italian director Spaghetto. He travelled the world to find the origins of Twerking and to further the conversation about the dance. E-40, George Clinton, Big Freedia, Khia and Diplo are some of the people he interviewed on camera who shared their thoughts about the popularity of the move that has links to West Africa. Variety reports that the *Twerkumentary* will hit theaters in December.
