Vintage Trouble-Blues Hand Me Down (Live On Letterman)

[youtube]ThZZnS4Jvwc[/youtube]

Throwback rock and soul band Vintage Trouble caused a media stir last week when they performed “Blues Hand Me Down” on “The Letterman Show.” The band is currently touring with The Who in support of their *Bomb Shelter Sessions* album debut from last year. Lead singer Ty Taylor cannot deny his obvious affection for James Brown in his prime.
