Waaheed Releases Official Video For Shango

[youtube id="9yULNWlaj7g"] Waaheed pays tribute to African orisha "Shango" with an Afrofuturist video. A dancer is filmed around Detroit's brittle landscape making ritual moves and Waaheed is seen working in his studio with Shango's red and white candles by his side. It ends with both men dancing around the studio in a red light. Listen to and buy the *Shango* EP [here](#).
