

Statik Selektah Releases Video For No.8

[youtube id="oaKdiZ3NLa8"] Statik Selektah is getting ready for the release of his eighth studio album simply titled 8. The video for the first single "No. 8" is here and the song features Westside Gunn, Termanology and Conway. Selektah had a dangerous time filming the video in Buffalo, New York because they were so close to a shooting that is you can see at the beginning of the video.

WESTSIDEDOOM-2STINGS Produced By Alchemist

<https://soundcloud.com/user-5212897/westsidedoom-2stings>

The Westside Gunn and MF Doom project called WESTSIDEDOOM unveiled "2Stings" produced by The Alchemist today. Doom and Westside Gunn sound deep underground over Alchemist's suspenseful sounds. Download it for free [here](#).

Westside Gunn & MF Doom Unveil Gorilla Monsoon

<https://soundcloud.com/user-5212897/westsidedoom-gorilla-monsoon>

Westside Gunn and MF Doom have been recording together as WESTSIDEDOOM and "Gorilla Monsoon" is the first single from their album. Daringer of Griselda Records produced the song that sounds like the fuzzy effects of some kind of chemical high.
