

Willow Smith-twentyfortyeight 2.0 Produced By Michael Cera

Willow Smith's "twentyfortyeight 2.0" has the lightness of the heavens and production from actor Michael Cera. Their brief collaboration adds to Smith's enigma as a contemporary designer of alternative music.

Willow Smith-RTA #2 Featuring Crystal Mec

Willow Smith shares her feelings about the state of the earth and humanity on the self-produced "RTA #2" featuring Crystal Mec. Smith's creative binge is still going after the release of her debut album, [Ardipithecus](#) last month.

Willow Smith-Luv U W/Tha Sky

Willow Smith has new music in the form of the SPAZZKID-produced "Luv You W/Tha Sky." Smith sings and raps about a special person who makes her feel like goddess. Her debut album, [Ardipithecus](#), just came out last week on Roc Nation.

Willow Smith Releases Solo Debut Album *Ardipithecus*

Willow Smith's debut album *Ardipithecus* came out today on Roc Nation and it's an exploration of identity in sounds originating from the '80's and '90's alternative scene.
