

# Wu-Tang Hulu Series Has Trailer

[youtube id="ov0VN0HPiPI"] *Wu-Tang: An American Saga* a 10-episode Hulu series about the formation and rise of the Wu-Tang Clan in '90s New York. Rza and Alex Tse created the show that features Dave East as Method Man and Joey Bada\$\$ as Inspectah Deck. This will be the second look at Wu-Tang's story because of the Showtime docuseries *Wu-Tang Clan: Of Mics and Men* that aired this past spring. It's been a busy year for the group as they are on tour, just appeared at Glastonbury and Method Man's much-talked-about appearance at the BET Awards with Mary J. Blige. *Wu-Tang: An American Saga* will premiere on Hulu September 4th.Â

# Gza Performs Songs From Liquid Swords For NPR Tiny Desk Concert

Gza made his Tiny Desk Concert debut with three songs from his '90s classic *Liquid Swords*. He was joined by New Orleans brass band The Soul Rebels and they performed "Living In The World Today," "Duel Of The Iron Mic" and "Liquid Swords." The band and Gza's words were an unexpected match and their sound turned the space into a bigger room.Â

# Media Questions Of The Week

What did Lisa Bonet mean when she described Bill Cosby as having [“sinister energy”](#) when she worked on *The Cosby Show*?Â

# THE BOONDOCKS

Will [Aaron McGruder](#) follow through on his interest in possibly rebooting *The Boondocks* as a video game?

What will happen to the Wu-Tang Clan album *Once Upon A Time in Shaolin* now that Martin Shkreli has to hand it over to the court as part of his conviction for fraud?
